

# Toronto East Rotary Club

Volume 44

June 18, 2009

## Notes from June 11th. Meeting:

Bill Phelan

Today we did our usual bang-up job of refurbishing wheelchairs at Variety Village. Unfortunately, due to a lack of funds to purchase replacement parts, it was necessary to pull ten or twelve wheelchairs out of service. As soon as I can accomplish this fundraising, I will assemble another crew to finish the job.

In the meantime, our thanks to staff superintendent Tony Corrie of Metro Police Services for bringing along Jim Ramer, Morgan Robinson, Mark Saunders, Scott Gilbert, Syd Thomas, Erinn Lynch, Richard Stubbings and Alphonso Carter to help us do the job.

Tom & Rod

Our club members were Jim Hawtin, Rod Roblin, Tom Andrews and Elmar Moser.

Not to be forgotten, my two neighbours Ivan Pedersen and J. J. Maclelan.

Thanks to all.

## Future Vision Plan Pilot

Rotary International has officially announced the 100 districts selected for the Future Vision Plan pilot, which will test a new, streamlined Rotary Foundation grant structure. District 7070 was one of the district chosen.

District applications went through a careful and rigorous review process. Foundation Trustee Chair Jonathan Majiyagbe and General Secretary Ed Futa selected the pilot districts on behalf of the Foundation's Board of Trustees. Participation in the pilot requires a firm, three-year commitment from the district. Once a district enters the pilot, it cannot withdraw.

Representative sampling key in pilot district selection. District selection was based on a number of factors, including:

- Geographic distribution
- Size, both in terms of number of clubs and number of Rotarians
- Participation in the current Foundation program structure
- Strength of district leadership and committee structure
- Potential for hosting humanitarian projects, scholars, and vocational training teams (based upon development needs and institutions for higher learning or vocational training)
- Tiers of Annual Programs Fund giving
